Industry Events

Oregon Outdoor Recreation Summit

October 22-24, 2026, Ashland

Oregon's premier event that brings the outdoor community together with destination management organizations, government agencies, land managers, businesses and more to learn, build relationships, and find solutions.

Oregon Governor's Conference on Tourism

March 29-31, 2027, Salem

Largest annual gathering of Oregon tourism professionals featuring keynotes from industry experts, educational breakout sessions, networking opportunities, sponsors and exhibitors and an awards ceremony.

Destination Boot Camp

May 13-15, 2026, Eugene

Multi-day event providing an opportunity to connect with others focused on the destination development, management, and stewardship areas of Oregon's tourism industry.

PROGRAMS, TOOLKITS & EDUCATIONAL RESOURCES

Culinary & Agritourism

Agritourism Handbook

Robust resource for agricultural businesses interested in growing activities to their business plan. Good resource for DMOs interested

in supporting the growth of agritourism in their area, but target audience is businesses.

OSU Agritourism Course A self-paced online course to help farmers determine which agricultural

tourism enterprises are a good fit for their farm or ranch business.

Tour Operators, Guides & Outfitters (TOGO)

Why Guides Program

Opportunity for Oregon TOGOs to receive elevated promotions as well as access to no-cost business development and educational

opportunities; some requirements to enroll. Registry re-opens each fall.

TOGO Management Guide

Robust resource for TOGO businesses seeking information on a variety of topics. Good resource for DMOs to share with emerging TOGOs in their area.

Outdoor Recreation & Stewardship

Oregon Signature Trails & Report

Oregon's fifteen most iconic

trails that create opportunities for scalable visitor experiences.

Recreation Ready

Program supports communities in developing outdoor recreation visitor experiences that drive economic prosperity and respect natural environments while increasing access and equity.

Dark Sky Tourism Resources

Industry guidance for how to engage in dark sky tourism.

Volunteer Stewardship Experiences: Key Learnings Summary Report

Guidance for integrating volunteer stewardship experiences into visitor itineraries for organizations and businesses that are interested in supporting or developing itineraries that include an element of 'giving back' to a destination.

Marketing Support

Business Listing Programs

A hub of business listing resources including free access to a suite of Google Business Profile (GBP)

optimization tools for tourism businesses located in Oregon.

Digital Marketing Boost Program

Offers detailed methodology and templates for organizations looking to assist tourism businesses in improving their digital marketing presence by conducting assessments and providing findings

reports and 1:1 implementation support for businesses.

Marketing Co-ops & Toolkits

Programs designed to assist destinations in efficiently reaching travelers by extending the reach and

impact of Travel Oregon's marketing and sales campaigns.
